4. Defiantly recommending this class to my friends! Thank you for an awesome first class in college!
5. Great class. I definitely learned a lot. I appreciate all the oppotunities for extra credit, as well as the review days before tests. Overall, the class had complex concepts but Professor La Plant made them easy.
6. Should not make the tests determine your final grade in the class. There should be more assignments besides tests and gist questions.
7. Very impressed by the class! Loved it and learned more about government and politics than every before !
8. She's an awesome professor. She always made learning fun in her class.
9. It was too based off power points, however that's just a personal opinion of mine to have a more loosely based lecture than a constructive one reliant on power points.
10. LOVE THIS CLASS!
11. Overall great professor

12. I love Professor La Plant, she was always organized and communicated greatly with her students!
