Comment Area

1. Amazing class and the teacher was awesome. I actually learned something that I can use in the future. Hands down the best PoliSci class I took for the minor.
2. Fun class, it is too bad that American elections are 100% demographics and gerrymandering.
3. LOVED THIS CLASS! The exams were in depth but were straight forward and LaPlant is the best and was easy to relate to.
4. Instructor Kristina LaPlant did a great job making course very interactive with creative in-class activities and also having a very positive and warm personality!
